10. Before we began this survey, were you aware there is a burbot tagging program happening at Carp Lake?

- ☒ Yes
☐ No

11. Because we have little information on burbot at this lake, we're trying to access fisher knowledge about burbot, and figure out how to encourage fishers to share what they know. We're looking at different ways to get people involved in reporting the tagged fish they catch. The next few questions are about that:

a) How likely do you think people fishing at Carp Lake are to report a tagged burbot by calling a phone number on a tag, if no reward is involved?

- ☐ Very unlikely
☐ Unlikely
☐ Neutral
☒ Likely
☐ Very likely

b) How likely do you think people would be to report a tagged burbot if there is a \$100 reward on the tag, awarded to you when you call the phone number?

- ☐ Very unlikely
☐ Unlikely
☐ Neutral
☒ Likely
☐ Very likely
